

QUALITY GUARANTEE

DECK N PAVE **CONTEMPORARY OUTDOOR LIVING**

All projects constructed by Decknpave carry our comprehensive quality guarantee.

TIMBER GUARANTEE:

- All of our timber built projects carry our 10 year structural guarantee, giving you piece of mind in the knowledge that you've made a sound, long term investment within your home.
- All timber construction shall comply with the Australian standards AS1684 - Timber framing.
- All projects undertaken by Decknpave are built in compliance with the Australian standards and tolerances.
- All of our materials are sourced from reputable suppliers and are of the highest quality. All treated outdoor timbers carry an up to 20 year manufacturers warranty, as do steel and Polycarbonate roofing materials.
- Our tradesmen are reliable helpful and friendly, any questions or queries you might have during the construction process will be promptly addressed.
- All fixings are galvanised or stainless steel, which means they wont rust.
- Your home will be kept clean and tidy throughout the entire construction process. In the unlikely event of any damage to your garden or home, the damaged article will be repaired or replaced free of charge.
